

The Ohio Walleye Federation held it 2nd Lake Erie event of the year out of Ashtabula OH (ARU Launch Site) Sponsored by Vic's Sport Center. The anglers were met with not so good conditions with winds blowing 5-10 out of the East and North East, with the wind expected to pick up in the afternoon. Waves in the morning were in the 1-3 ft range which made some of the angler's long runs even longer and in the afternoon the waves in the 2-4 ft range. So as this weird summer continues with wet conditions for the first half and now over the last few weeks being very dry the fishing on the lake has been as inconsistent as the weather. Some guys have reported the fish are moving like crazy not being able to make more than one pass in any particular area. It was the team of Johnson / Fair that figured it out bringing in a 36.44lb bag and taking 1st place. Coming in 2nd was the father and son team of Joe and Joey Bird weighing 34.58lbs. Rounding out the top 3 were Robinson /Ball weighing in 33.24lbs. Teams reported targeting there fish in the 50-60ft of the water column and catching them with both wire line /crank baits, as well as dipsys and crawler harnesses Next event will be Ashtabula #2 on August 22nd. Special Thanks to all our sponsors for making these events possible. See www.fishowf.com or find us on facebook-- <https://www.facebook.com/pages/Ohio-Walleye-Federation/55496411183365> for complete results and to support our sponsors. Remember..... **HAVE FUN AND FISH!!**
