

The Ohio Walleye Federation held its second event of the season at Berlin Lake on Sunday May 1<sup>st</sup>. With a very difficult week of prefishing for most anglers due to the unstable weather and colder temps, anglers were met with a little different weather on tournament day. A warmfront was pushing north which had some light drizzle and overcast skies to start the day and had temps rising throughout the day to the mid 70s. Finishing in 1<sup>st</sup> was the team of Porter and Kalinowski bringing in the biggest bag weighing 19.73lbs and having a big fish of 5.85lbs. In 2<sup>nd</sup> place was the team of Capelli and Jackson with a weight of 11.41lbs. 3<sup>rd</sup> place was the team of James and Momirov with a weight of 11.00lbs. Finishing 4<sup>th</sup> was the team of Gywnn and Witicare having a weight of 10.20lbs and rounding out the top 5 was the team of Berkey and Arnold with a weight of 9.23 lbs. All teams finishing in the top 5 found their fish shallow 2-4 FOW in the trees or off of points adjacent to deeper water. Bites were not easy to come by as indicated by the numbers of fish being caught but this proves that Berlin is truly one of Ohio's finest inland lakes. Thanks to all our sponsors for making our events possible.
