

The Ohio Walleye Federation held the most anticipated event of the year the Inland Lake Championship Sponsored by Ravenna Marine and Haines Marie Service. This is was 2 day event on Pymatuning Lake on June 11th and 12th. With a lot of teams still in contention for the ILC points title and an NTC side pot event going each day the pressure was on. Everyone knew that Pymatuning would produce great fish and it was not disappointment. With less than 15 points separating 1st through 17th the ILC race was going to be a great finish. With mixed weather throughout the week 2 cold fronts and a 91 degree heat and wind wave on day 1 of the tournament the anglers knew the fishing could be tricky. After Day 1 it was the team of Dennis and Denny Sharrone that showed what Pymatuning was capable of producing a five fish limit of 22.64 lbs. The team of Sam Cappelli and Ted Jackson also brought in a 5 fish limit weighing in at 22.23 lbs and having a big fish for Day 1 weighing 8 lbs. After the event on Day 1 the OWF sponsored a picnic for the anglers to relax, hang out and talk fishing. On Day 2 the anglers were met yet again with cold front and changing conditions dealing with a temperature in the low 60's and wind howling out of the NW at 20 mph. Taking home first place and an the NTC spot for Day 1 was the team of Dennis and Denny Sharrone that continued their success bringing in a five fish limit of 25.92 lbs and finishing with 48.56lbs. Coming in second was Sam Cappelli and Ted Jackson who had 2 similar days, finishing with 44.08lbs and in 3rd place was the team of Anthony Naples and Chris Durkin having two solid days of 17lbs finishing with 34.69lbs. The team of Jim Gwynn and Matt Witicare ground out a troll bite only catching 5 fish on day 2 but weighing in nearly 20lbs to take the second NTC spot.
